- ★ Miscellaneous awards for Satellite Clubs, Coaching, Sportivate etc. £20,000
- ★ Gloucestershire Environmental Trust - Drainage £32,500
- ★ Archery GB - Disability £7,000
- ★ Summerfield Trust - Ground Purchase £4,500
- ★ Gloucestershire County Council - Community Car Park £9,000
- ★ Tewkesbury Borough Council - Tractor £10,150
- ★ EDF Olympic Fund - £5,000

Lots of 'In-Kind' Income.

We continually benefit from arrangements where, for example, in return for running satellite and after-school clubs, we get significant reductions on the hall hire rates. These arrangements have literally saved us thousands of pounds! Likewise with Recreation Centres running 'have-a-go' sessions, which they charge for, but we provide the equipment & coaching. In return we get 'free' use of the hall and storage space for our equipment without charge!

Grants & Support

Accelerating our development plans!

Our business plans allow us to cover our day to day costs and generate a small surplus to enable us to improve the facilities and support we provide to our members. This is however tempered by one of our Mission Statements which is to 'ensure we are affordable & Inclusive.' We will not increase membership costs if it excludes those on lower incomes.

By investing considerable time/effort in pursuing sponsorship/grants we are able to accelerate our progress towards achieving our development plans and remain accessible! and ensure we offer a product that generates a healthy demand.

So why are we so successful?

Excellent management systems particularly on the finance side. Clear Club Mission, Development & Business plans. Totally inclusive of all abilities; affordable and very active in the community. Engage volunteers; invest in team building and partnerships. Value every one as individuals not just as archers; Innovative and open to learn from all sports. Value our Governing Body and our Community Sports Partnership. Using ClubMark and 'Ontarget' Specialisms as a base line template not just a piece of certificate.

Our own Fundraising efforts.

Members have worked exceptionally hard spending many hours volunteering to raise funds using tried and tested activities but also some very creative ones! At the point when we were fundraising to buy our ground we raised £50,000 in twelve months! This included generous donations from many of our members.

We are also a Community Amateur Sports Club (CASC), a member of 'easy fundraising', we also have an Ebay account and from time to time offer members the chance to sell items on their behalf and then invite them to donate the proceeds back to the Club through the CASC system.

Volunteer Workforces

Examples include: National Grid provided almost forty staff for a days work and generously donated the tools they used to the club. Elliott's Sand & Gravel have provided volunteer workforce and heavy machinery.

Active membership & follow-up.

We are a registered Environmental Body and as with all our grants we provide feedback to those that have supported us, keep records of footfall, usage, successes etc and feed that information back. We also offer to run have-a-go sessions for the awarding organisations.

Deer Park Archers Limited (By Guarantee)
23 Jenner Close, Hucclecote, Gloucester,
GL3 3DZ
Company Registration Number: 9044411

Local Company Donations

★ We have received numerous generous donations from local businesses including:

D. E. Spencer & Sons (Field Course)

PDM Ltd (Temporary Club House)

Endsleigh Insurance Group

Xperience Archery

Gloucestershire Constabulary

Elliott's Sand & Gravel Ltd

We also run raffles & larger type ticket sale and many local companies donate prizes. On one Christmas Draw we had well over a £1000 pounds worth of donated prizes and a corresponding profit!

Funding for Competitions

We have received over £5000 in funding to support a number of 'ground breaking' tournaments that we have organised, in particular from;

The Worshipful Company of Fletchers

Wales Archery

Cheltenham Leisure @

Tenzone Targets

Active Gloucestershire

Active Image Productions

Prize Money

Examples include: Winning the Sport & Recreation Alliance Sports Club of the Year - £6,000. Winning the first Ontarget Club Competition.

Satellite clubs funding

Our three satellite Clubs, Balcarras, HSFSG & GL1 have received £9,000. The actual value is a lot more as the venues also offer discounted hire rates for club activities.
