

## The Club's Mission

We seek to create a safe, orderly, caring, supportive and learning environment to facilitate archers, volunteers and officials of all abilities, developing to their full potential.

We seek to develop and maintain an ethos where individuals are motivated to contribute something back to the club and the community by providing opportunities to do so and create an environment that fosters social, emotional, physical and intellectual development, respecting the whole person not just the archer!

We strive to actively promote and develop our sport and engage individuals, families and community by keeping our activities affordable and inclusive, through the provision of a balanced programme of quality coaching, social activities and healthy competition at all levels.

## Its not just about the archery!

Our Junior Committee, Social Committee and Coaches are always busy organising lots of different events and always ensuring that the appropriate procedures are in place. We have a healthy balance of family events, junior only events and many fully integrated activities. We have a good number of juniors that have qualified as coaches and many more that help at community events.

## Safeguarding Children

This club, DPAL believes that when dealing with children and young people their welfare must always be of paramount importance.

We are committed to providing an environment where children and young people can learn and participate in archery free from harassment and abuse.

All those people working with children and young people have a moral responsibility to safeguard and promote a child and young person's welfare.

This club has adopted the Archery GB Policy for Safeguarding Children , Young People and Vulnerable Adults to ensure peace of mind for all those involved with the club in any capacity.

Protecting **children** is
